Special Delivery

The **Family Nght Toy Drive** produced a wagonful of toys for the **Children's Center for Cancer and and Blood Disorders at Palmetto Health. Abney Durham and Lilly Dubose** visited and personally delivered the presents to the hospital, and it was inspiring to see and share with these amazing children! If you would like to see the thank you letter we received, please visit the school office for a copy. A big thanks to every-

one who contributed toys to this heart-felt endeavor. †

PTO In the News....

Your PTO had a tremendous December, and we wanted to share our many Christmas accomplishments with you!

 On December 8, PTO sponsored one of the most anticipated events of the year: **Kilbourne Park's Family Night!** The Santa Claus pictures were beautiful, the Bake Sale was an active success, and the craft rooms were teeming with excited children. A big thanks to **Abney Durham** and **Sarah Todd** for organizing this fabulous event!

 On December 16th, PTO hosted a beautiful, elegant Christmas luncheon for the teachers and staff of Kilbourne Park. The lunch was catered by **Zoe's Kitchen**, and the desserts were provided by **Andrea Cavanaugh**. We were able to give lovely Christmas gifts from **High Cotton** to each of the guests. A big thank you to **Elizabeth Webb** for heading up this amazing event!

 PTO IN ACTION! As many of you know, **Carole Cash's** dinosaur of a computer was making life in the school office a painfully slow ordeal. Recognizing this problem, PTO was able to organize and partially fund a state-of-the-art laptop for the school office! Carole was literally speechless and overwhelmed by the surprise Christmas gift. A huge thanks to **Pastor Travis Biller** and **Pat Harris** for making this happen!

 As many of you can see, our years of PTO fundraising has resulted in the long-anticipated, much-desired playground renovation! Thanks to the organization of **Stuart Thompson** and **Carole Cash**, the church has been hard at work updating our buildings and revamping our playground. Among the many changes are a new iron fence, new playground equipment, new mulch, and the moving of the school swings. We are very excited about these wonderful new changes and look forward to the children enjoying them for years to come! †
