*From Craig*

Yes! I know it's August 1st!!!

I remember as a child at Colonial Height Baptist we used to celebrate "Christmas in August." The GA's put up a Christmas tree and collected items that had been requested for missionaries and sent to them on the mission field.

"Everlasting Light" is the Christmas musical that has been selected for the Sanctuary Choir for 2019. Books and rehearsal CD's are available in the choir room. We will "preview" the musical on Wednesday night, August 21st.

Now would be a great time for you to JOIN THE CHOIR. Please see Craig if you are interested in being a part of this ministry.

Thank you, students, for sharing with the **KPBC** congregation about your experiences at SummerSalt in July.

We are thankful for the way that the Lord has worked in each of your lives.

Due to a technical issue, a recording of this service is not available. If anyone recorded any part of the service, please contact Craig.

### Due on September 15, 2019

The **WMU** will be promoting the Health Kits again this year. Each kit will need:

- 1 toothbrush                      1 large toothpaste
- 1 4 oz. bar of soap              1 comb
- 1 wash cloth                      1 bath towel

These 6 items need to be placed in a 2-gallon Ziploc bag. If you would like to participate in this project, but are not able to shop, you can donate money toward the purchase of the items and the **WMU** will shop for you. Each kit cost from \$8 to \$10. Please give your donations to Lucile Watson or Cookie Adams or put the money in the offering plate on Sunday mornings and designate for "Health Kits for **WMU**." Kits are distributed in the Columbia area by the CMBA.

Thank you for your support with this project!

### Update from the Missions Ministries Committee

We have had 2 inquiries concerning the Mission House, but no definite reservations yet. The house needs some new towels, specifically bath towels, hand towels, and washcloths. If you would like to donate these, just drop off in the church office. The towels need to be new or just slightly used. Color does not matter, but white or beige would be suggested. Thanks for your help in keeping our Mission House updated.

### *From The Pastor's Heart...*

Our Director of Missions, George Bullard, has many years of experience helping churches revitalize. This experience has led him to develop a program called C.A.L.E (Congregational Assessment and Learning Experience). George introduces this process to a church family through a weekend event, which we (Pastor & Deacons) have scheduled for Oct. 11-14, 2019. We need as many of the church family to be in attendance on Friday, Oct. 11<sup>th</sup>. Please save this date on your calendar.

George met with the Pastor and Deacons at the July Deacons meeting and introduced the process. It was agreed to schedule the C.A.L.E weekend on the basis of a unanimous vote of the deaconate. As a result, I felt it best to also introduce George to the church family as well. On Sunday, August 11, 2019, George Bullard will be filling the pulpit and introducing this process to the church family. Please make every effort to be in attendance.

Most importantly, let us continue to pray and seek the Lord's will and guidance for His ministry at Kilbourne Park Baptist Church.

Remember we are Kilbourne Park Baptist Church...One Savior...One Mission...One Church.

*Pastor Terry*

Thank you KPBC family and friends for all the prayers, visits, food, calls, and cards received during my recovery from cervical myelopathy surgery.

When it comes to your mind, your prayers for His Will in my continuing recovery (it could take a year or more) will be greatly appreciated.

Sincerely with thanks,  
Neree Wood
